# *Webinar: Think About Energy Briefing*

Amid the current pandemic, “Think About Energy Briefing” has gone virtual. Join us for a **Webinar** on **Tuesday, April 7, 2020**, from **12:00 p.m. to 1:00 p.m.** as we discuss **Petrochemical Buildout in the United States**.

Sponsored by Briefing partners, this free energy event will feature Tom Gellrich who is President of TopLine Analytics, Greg Kozera the Marketing Director for ShaleCrescent USA and Carl Marrara who is Vice President of Government Affairs for the PA Manufacturers’ Association.

Experts will discuss the Petrochemical Industry and current opportunities within the Appalachian Basin. Panelists will provide a historical overview of global development and outline the opportunities before the Appalachian Basin to benefit from the economic growth surrounding the development of a hub in Northeast United States.

**Event:** Think About Energy Briefing: focused on how natural gas is fueling power demands, manufacturing, local businesses, transportation, the economy and more.

**Date:** Tuesday, April 7, 2020

**Time:** Webinar opens at 11:45 a.m. Program runs 12:00 p.m. – 1:00 p.m.

**Location:** Online – registration required. [https://webinar\\_petro.eventbrite.com/](https://webinar_petro.eventbrite.com/)
