## ABOUT FEEDING PENNSYLVANIA

Feeding Pennsylvania provides a strong collective voice for hunger relief in Pennsylvania through a variety of channels, including programming and advocacy. Our statewide programs include Fill a Glass with Hope®, the first statewide charitable fresh milk distribution program in the United States, which brings nutritious milk to those in need. Whether it's an annual event such as Sack Hunger, a partnership with Pennsylvania's pork producers during Penn State football season, or an ongoing program like Military Share, which creates enhanced opportunities for veterans and those in the armed forces to get food, our goal is to ensure that no Pennsylvanian goes hungry.
