THINK ABOUT ENERGY: A Decade of Environmental & Regulatory Progress in the Natural Gas Industry

August 26, 2020

Overview of Presentation

Earning the License to Operate *in the Northeastern U.S.*

- Proactive Solutions
 - Recommended Practices
 - Pre-drill testing
 - Waterway discharges
 - Air quality reporting
 - Chemical disclosure
 - NORM
 - Municipalities
- Benefits of Collaboration

Recommended Practices

- Background and Process
- Benefits to member companies
- Opportunities for partnerships
- Examples:
 - Site Planning, Development and Restoration
 - Drilling and Completions
 - Motor Vehicle Safety
- Full-page ads and media treatment

Proactive Solutions

- Pre-drill testing
- Eliminating waterway discharges
- Air quality reporting
- Chemical disclosure
- NORM
- Municipalities
- Many others

Benefits of Collaboration

- Within the industry, around the board table
- With elected officials
- With special interest groups
- With local reporters
- Across the supply chain
